RESPONSES OF HORRY TELEPHONE COOPERATIVE, INC., TO SECOND SET OF
INTERROGATORIES OF THE SOUTH CAROLINA CABLE TELEVISION
ASSOCIATION

Horry Telephone Cooperative, Inc. (“Horry”), pursuant to the South Carolina Rules of Civil Procedure and the South Carolina Public Service Commission’s Rules of Practice and Procedure (S.C. Code of Regulations R. 103-800, *et seq.*), respectfully submits the following responses to the Second Set of Interrogatories of the South Carolina Cable Television Association (“SCCTA”) served on March 30, 2004, as described and set forth below.

GENERAL OBJECTIONS

1. Horry objects to each Interrogatory to the extent it seeks to impose an obligation on Horry to respond on behalf of subsidiaries, affiliates, or other persons that are not parties to this proceeding on the grounds that such interrogatories and requests for production are overly broad, unduly burdensome, oppressive, and not permitted by applicable discovery rules. Horry will not be responding to discovery that seeks information from parent and affiliate companies.

2. Horry objects to the each Interrogatory to the extent it is intended to apply to matters other than those subject to the jurisdiction of the Public Service Commission of South Carolina (“the Commission”). Horry objects to such Interrogatories as being irrelevant, overly broad, unduly burdensome, and oppressive.

3. Horry objects to each Interrogatory to the extent that it calls for information that is exempt from discovery by virtue of the attorney-client privilege, work product privilege, or other applicable privilege.

4. Horry objects to each Interrogatory to the extent that it seeks to impose obligations on Horry that exceed the requirements of the South Carolina Rules of Civil Procedure, the Commission’s rules and regulations, or other South Carolina law.

5. In the course of its business, Horry creates numerous documents that are not subject to Commission or FCC retention of records requirements. Horry will make every reasonable attempt to identify documents in response to these requests by conducting a search of those files that are reasonably expected to contain the requested information. To the extent that the requests purport to require more, Horry objects on the grounds that compliance would impose an undue burden or expense.

6. Horry objects to each Interrogatory that seeks to obtain “all” of particular documents, items, or information to the extent that such requests are overly broad and unduly burdensome. Any answers provided by Horry in response to this discovery will be provided subject to, and without waiver of, the foregoing objection.

SPECIFIC RESPONSES

Without waiving any of the foregoing general objections, Horry responds to SCCTA's Interrogatories as follows:

INTERROGATORY NO. 1

State the maximum amount of the Universal Service Fund ("USF") funding approved for Horry in 2000.

RESPONSE:

None.

INTERROGATORY NO. 2

State the maximum amount of the USF funding approved for Horry at the present time.

RESPONSE:

See response to Interrogatory No. 3.

INTERROGATORY NO. 3

How much explicit funding did Horry receive from the South Carolina USF and any other source for the years 2001, 2002, and 2003? State the amount received from each source by year and identify the source.

RESPONSE:

Amounts received by Horry from the State USF from its inception through December 31, 2003 are as follows:

2001	\$ 131,377
2002	\$ 824,779
2003	\$ 1,287,651

Horry objects to this interrogatory to the extent it seeks information regarding funding "from any other source" on the grounds that such request is overly broad and that such information is irrelevant and does not appear reasonably calculated to lead to the discovery of admissible evidence. The Commission has adopted Guidelines for South Carolina Universal Service Fund ("Guidelines") and South Carolina Universal Service Fund Administrative Procedures ("Administrative Procedures"), and no information regarding funding "from any other source" is relevant to determining whether Horry's request for additional State USF funding in this docket complies with the Commission's Guidelines or Administrative Procedures.

INTERROGATORY NO. 4

How much implicit support did Horry receive from any source for the years 2001, 2002, and 2003? State the amount received from each source by year and identify each source of implicit support.

RESPONSE:

Horry objects to this interrogatory to the extent that it seeks information regarding "implicit support" on the grounds that such information is irrelevant and does not appear reasonably calculated to lead to the discovery of admissible evidence. The only information regarding implicit support that is relevant to this proceeding is the cost study Horry has already filed and made available to SCCTA pursuant to a Protective Agreement in this docket, which demonstrates the amount of implicit support contained within the rates which Horry seeks to reduce in this proceeding.

Additionally, Horry objects to this request on the grounds that responding to it would be unduly burdensome and expensive. It would not be possible to identify the amount of implicit support received from any given source without conducting expensive cost studies specific to each such individual source.

INTERROGATORY NO. 5

List each telecommunications service that Horry provided that generated implicit support for the years 2001, 2002, and 2003. For each such service state the amount of implicit support generated by such service by year.

RESPONSE:

See response to Interrogatory No. 4.

Substantive responses were provided by Emmanuel Staurulakis, President, John Staurulakis, Inc., Seabrook, Maryland. All objections to the foregoing interrogatories were provided by the undersigned counsel.

Respectfully submitted this 16th day of April, 2004.
